

## RYAN WHITE ANNUAL PAYMENT CAP

The HIV Program at KC CARE Health Center (formerly Kansas City CARE Clinic) is partially funded through grants from the Ryan White Care Act. As a recipient of Ryan White funds, KC CARE will not charge you for services if your healthcare costs are higher than your annual payment cap. This cap is a percentage of your annual income.

**Complete steps 1, 2, and 3 to find out your Ryan White Annual Payment Cap and track your expenses**

**STEP 1: Where does your income fall on the chart below?**

Annual Income	% Charge
0 to \$12,140	0
More than \$12,140 and less than \$16,874	5%
More than \$16,874 and less than \$20,274	7%
More than \$20,274	10%

**STEP 2: Fill in the information below to calculate your Annual Payment Cap:**

Annual Gross Income \$ \_\_\_\_\_ x \_\_\_\_\_ % = \$ \_\_\_\_\_  
(Your Individual Income) (% Charge from Table above) Annual Cap

**STEP 3: Use the table on the back side of this form to track your out-of-pocket expenses.**

Qualifying expenses can be things like:

Physician Office Visits	Mental Health and Substance Abuse Counseling	Dental Care
Ophthalmology Care	Dermatology Care	Prescriptions
Over the Counter Medications	Medical Insurance Premiums and Copays
